*8.6 BREAKING TIES Ties must be broken for all places in individual and team events. Ties will be broken as follows:

8.6.1 Ties in Events or Positions with No Finals (or before Finals) ▫

Ties are broken in favor of the athlete with the highest number of inner tens.

▫ If ties are not broken by inner tens, the tie must be broken according to the highest score. If the tie is not broken by a series-by-series countback, scores will be compared on a shot-by-shot basis, beginning with the last shot, then the next to the last shot, etc. In a shot-by-shot countback, inner tens are considered to be a higher value than a ten. In the last 10-shot series fired, then the next to the last 10-shot series, etc. ▫
